Damian Petty started his career in the insurance industry 17 years ago, insuring RV Parks and Campgrounds from the start. In 2009 he was hired by Leavitt Recreation to continue growing their agency. Since then Damian has expanded what Leavitt Recreation can offer to owners like you. The younger generation is becoming more interested in enjoying the outdoors and looking for different types of fun. RV Park owners have needed to adapt and provide different activities for their customers. Damian works hard to find carriers who can provide coverage for such things as ATV rentals, water parks, zip lines, paintball, horseback riding, jumping pillows and more. Damian has found solutions for RV park owners that are affordable and allow them to add these great amenities at a reasonable premium.
