In general, internet access is not supplied to each classroom, and if it is, it is for simple browsing only. *If you have a definite need for internet access for your seminar, and if you need to stream video, please indicate that here and we will be in contact with you regarding availability. We do suggest, however, that if you have video you wish to show that you save it to your hard drive or put it on a flash drive to ensure uninterrupted showing of video(s).*

Yes, I definitely need internet access during my seminar. If yes, describe your needs below:

Additional AV requirements will be evaluated on an as needed basis. Please know that cost for additional AV requirements will need to be considered before a decision regarding availability is made.

Yes, I anticipate additional AV requirements; please contact me to discuss.

I **will not** require additional presentation equipment.

It is imperative that all equipment be ordered in advance due to the cost factor. Ordering on-site causes rates to increase and equipment may not be available.

All Instructors are requested to **complete this AV Order Form and RETURN IT TO:**

Learning Outcomes

In most cases, learning outcomes for a one- to two-hour course will be within the Knowledge or Comprehension domain levels as described in Bloom’s Taxonomy of Learning Domains shown in the table below. Learning outcomes should describe what the student will be able to do after attending the course and should begin with one of the verbs provided for the appropriate domain level. It is recommended that no more than two to three outcomes be developed per one-hour of class time.

Domain Level	Appropriate Verbs
Knowledge	Define, Describe, Identify, Label, List, Match, Name, Recall, Select
Comprehension	Demonstrate, Discuss, Explain, Generalize, Illustrate, Interpret, Paraphrase, Predict, Report, Restate, Review, Summarize, Tell
Application	Apply, Change, Choose, Compute, Prepare, Produce, Select, Show, Transfer, Use
Analysis	Analyze, Characterize, Classify, Compare, Contrast, Debate, Deduce, Diagram, Differentiate, Discriminate, Distinguish, Examine, Outline, Relate, Research, Separate
Synthesis	Compose, Construct, Create, Design, Develop, Integrate, Invent, Make, Organize, Perform, Plan, Produce, Propose, Rewrite
Evaluation	Appraise, Argue, Assess, Choose, Conclude, Critic, Decide, Evaluate, Judge, Justify, Predict, Prioritize, Prove, Rank, Rate, Select

Learner Assessment

Each learning outcome must have an associated assessment that can verify the learner’s knowledge acquisition by either the instructor, room host, or designated individual.

Assessment Options	Types of Assessment
Observation	Small Group Activities, Brainstorming, Group Games (Jeopardy, etc.), Discussions, Reporting, Practice, etc.
Performance	Testing, Demonstration, Q&A, etc.
Work Product	Worksheets, Sample Documents, etc.
Scenarios	Case Studies, Role Play, etc.
